

North Carolina License Recovery After A DUI

STEP 1

Obtain a DL-123 from your auto insurance company or agent. These forms are valid for 30 days, so wait until you are ready to request interlock driving privileges before you request one.

STEP 2

Obtain an alcohol assessment at an approved provider. The cost is \$100. Services can be located on the <https://www.ncdhhs.gov/> website.

STEP 3

Make an appointment to have your ignition interlock installed by calling Monitech of North Carolina at [800-521-4246](tel:800-521-4246). Ask about current discounts and offers.

STEP 4

If you work non-standard hours, obtain a letter from your employer stating when you need to be at work.

STEP 5

Fill out an application for Interlock Limited Driving Privilege. This form can be located on the <https://www.nccourts.gov/> website.

STEP 6

Take these documents to the Clerk of Court in the county where you were originally charged. Pay any fees or fines and you will be issued your limited driving privilege.

STEP 7

Take your copy of the privilege and your vehicle to a local DMV. They will verify that your interlock is installed.
